It's definitely possible. I don't have a date for one of them, just left PM a voicemail. The other would be either April 4<sup>th</sup> or 6<sup>th</sup>. I also invited sean to join me next week for my IRT meeting and Cainhoy Plantation trip on March 22-23 but haven't heard back from him yet.

Might either of the trips you mentioned be good opportunities to get Sean out and seeing some wetlands, and also meeting Charleston folks?
